

# Feature Israel Trade Fair At Local Celebration On May 5

His Excellency Gershon Avner

The 17th Anniversary of Israel's Independence will be marked by the Jewish community on Wednesday evening, May 5 in a spirit of thanksgiving and celebration beginning with a short Service of Commemoration and followed by an enlarged and highly appealing Israel Trade Fair. There will be music, folk dancing, a fashion show and refreshments to please the eye and stimulate the senses.

The Service of Commemoration will take place at Congregation Beth Shalom beginning promptly at 8:15 p.m. The Israel Trade Fair will be set up in the Main Auditorium where His Excellency the Ambassador of Israel and Mrs. Gershon Avner, the distinguished patrons of the evening will receive the guests.

Mervin Mirsky, president of the Ottawa Vaad Ha'Ir and David Zelikowitz, chairman of the United Zionist Council, joint sponsors of

the anniversary celebration expect that this will be one of the finest evenings of its kind in years. There is no admission fee and everyone in the community is invited to attend. They will all be there — parents, teenagers, young adults.

A special committee of the presidents and key members of the women's Zionist groups headed by Mrs. Moe Slack has been at work for weeks in preparation for the Trade Fair. Israel's goods and products are finding increased acceptance on the Canadian consumer market and many of these new items will be shown for the first time in Ottawa.

Those who will participate in the Service of Commemoration are His Excellency the Ambassador, Habbis Simon L. Eckstein, J. Benjamin Friedberg and Abraham Rubin, Mervin Mirsky, Cantor Hyman Gertler and Rev. Joseph

Rabin and the Beth Shalom Choir. The choir will have organ accompaniment. The colours will be presented by the Cub and Brownie groups of the Jewish Community Centre.

People planning to attend the celebration are urged to arrive in time for the service so that the religious significance of the observance can be marked with dignity and reverence. Heads of all organizations in the community are co-operating by urging their members to participate.

The booths will display wines, jewellery, candy, chocolates, canned fruits and juices, groceries, oranges, arts and crafts and WIZO products. Many of these items can be purchased. The Israel Government Tourist Office, Zim Shipping Lines and Air France will also be represented by agents from their Canadian head offices.

The Boutique Shop will be a

particularly attractive plus feature this year. A number of young women from Ottawa will model the appealing items which have been especially obtained for the Fashion Show. Objets d'art, stamps, coins and medallions will also be shown. The Petit Musée of Montreal is bringing in a beautiful exhibit of rare old ceremonial objects.

Organizations who will man the booths are Ottawa Council of Hadassah, Mizrahi Women's Organization, Pioneer Women's Organization and Ottawa Women's ORT. The combined strength and co-operation of these groups is certain to assure the success of this venture.

The program has been arranged by the Ottawa Vaad Ha'Ir and the United Zionist Council in co-operation with the Israeli Trade Commissioner in Canada, the Synagogues of Ottawa and the Jewish Community Centre.

EXPECT LARGEST TURNOUT IN YEARS

# Jackie Mason Headlines Program At U.J.A. Stag Dinner On Monday Night

The Ottawa Jewish Community launches its 1965 United Jewish Appeal on Monday evening, May 3 with a double-barrelled attraction which is certain to set it on the road to success. The Stag Dinner for men traditionally opens the annual campaign for refugee settlement in Israel, for relief and rehabilitation overseas and for Jewish educational and recreational services in Ottawa.

Jackie Mason, one of the most popular comedians in America today will entertain. Ken Soble of Hamilton, national chairman of the United Israel Appeal and a leading T.V. executive and industrialist will be the guest speaker. The program will be fast-paced, streamlined and thoroughly enjoyable.

The dinner will be held in the Main Auditorium of the Jewish Community Centre. It is scheduled to begin at 7:00 o'clock, preceded by cocktails from 6:15 p.m. Admission is free and every male contributor in the community is welcome to attend.

The Campaign Committee wishes to point out, however, that advance reservations are essential. All you need to do is phone 232-7306 or 232-7307 to tell the switchboard operator that you will be coming. The caterer must be given a count, otherwise difficulties arise.

The response to the invitations which went out earlier this week has been exceedingly good, according to general chairman Arnold Lithwick and his executive committee. These dinners attract large numbers each year because the atmosphere is pleasant and the fund-raising is conducted with dignity and despatch. The boys know why they are there and every contribution is accepted graciously. No one is pressured and no one is embarrassed.

These dinners save a great deal of legwork and help speed up the campaign. There are over 1,500 cards to cover and it must all be done before the warm weather sets in. A commitment at the dinner on May 3 frees the volunteer canvassers for other calls. The donor also benefits because the call at his office or place of business is eliminated.

Since time is a major factor in today's hectic business and professional world, the Stag Dinner provides an ideal opportunity to discharge one's communal obligations. Everyone gives to the U.J.A. anyway. Add a few drinks,

Limited, Hamilton Communal Projects and Hamilton Red Wing Hockey Club. He has the distinction of being chairman of the Ontario Housing Corporation and of the Urban Renewal Committee of the City of Hamilton.

A member of the Advisory Board of the Royal Trust Company, he is also a governor of Beth Jacob Synagogue, McMaster University and the Tiger-Cat Football Team. Mr. Soble's wide range of

Jackie's material, among the freshest and most original in show business, is delivered in an accent midway between that of a Bronx taxi driver and lower East Side delicatessen proprietor. His delivery is rapid-fire and he builds his monologs skillfully and effortlessly.

His story is unusual, even for show business. Jackie comes from a family of ordained Rabbis (his father and three brothers are all Rabbis) and he himself held pulpits in North Carolina and Pennsylvania before entering show business. His early career was marked by many ups and downs before he hit the big time in 1959.

These days, Jackie is an assured veteran with years of development in all kinds of situations behind him. His material is his own and his delivery is as personal as his fingerprints.

Jackie has guested on such leading television shows as Steve Allen's, Johnny Carson's, Jack Paar's, Garry Moore's, Perry Como's and Ed Sullivan's. He has played the top clubs in the country, has appeared in a motion picture and has two records to his credit.

The United Jewish Appeal will seek to raise \$395,000, during the next few weeks to meet the challenge posed by overseas, national and local needs. The objective is 10% higher than the amount raised last year and represents the bare minimum required by the U.J.A.'s beneficiaries in the next fiscal year.

Kenneth Soble

Jackie Mason

a good dinner and Jackie Mason's hilarious brand of entertainment and it becomes a first-rate evening no one should miss.

Guest speaker Kenneth Soble has been a dynamic force in his own Jewish community's development for many years. He was largely responsible for the construction of the Hamilton Jewish Community Centre and has held most of the top-level posts available in that city. As national chairman of the United Israel Appeal, he is emerging as one of the most prominent figures on the Canadian Zionist scene today.

Mr. Soble is president of CHCI-TV, Radio Stations CHML and CHML-FM, Hamilton Forum

interests include the National Executive of the Zionist Organization of Canada, B'nai B'rith, Masonic Order and directorships of the Chedoke General Hospital, Canadian Council of Christian and Jews and the Canadian Cancer Society. He was the founding president of the Radio and Television Executives Club.

Jackie Mason is considered one of the funniest men in America. His monologs are artistically fashioned, and they flow effortlessly from one punch line to the next. His situations are universal: they could happen to anyone. He touches lightly and hilariously on every conceivable subject.

Mrs. Gershon Avner

## Canadian Jewish Congress Plenary Session in Montreal May 20-24

The Jewish Community of Ottawa has been invited to participate in the 14th Plenary Session of the Canadian Jewish Congress which is to take place at the Queen Elizabeth Hotel in Montreal.

Delegates from communities throughout the country will gather at this convention to deal with many issues affecting Jewish life in Canada and abroad. Plans released by convention headquarters indicate that this will be one of the most meaningful conferences in years, with plenty of opportunity for delegate participation.

All phases of Congress work will be reviewed including religious welfare, youth, Jewish education, adult education, community services, leadership training, community relations, foreign affairs, fund-raising and research and archives.

One session will be devoted to "The Canadian Jewish Community as Part of World Jewry" and will deal with Jews in the U.S.S.R., Israel, World Jewish Congress, Conference of Jewish Organizations, the Ecumenical Council and Canadian Jewry's relations to other Jewish communities.

The Oneg Shabbat is scheduled to scrutinize the "Contemporary Aspects of the Spiritual Life and Cultural Life of the Jewish Communities of Canada". This broad subject will be divided into such

headings as Ethnic Concept of the Community; The Jewish Community as a Faith Community; Assimilation; Jewish Intellectuals; The Strengths and Weaknesses of our Jewish Educational System.

For the first time in Congress convention history, special arrangements have been made to hold Sabbath Services at the hotel. Excellent meal and hospitality arrangements have also been made. All indications point to the 14th Plenary Session as setting an all-time high attendance record.

A roster of distinguished and informed speakers will address the various gatherings and there will be an opportunity to mingle and exchange views with leaders of communities across Canada.

In order to make the Ottawa contingent as representative as possible, Mervin Mirsky, president of the Ottawa Vaad Ha'Tr has invited the heads of all organizations to name delegates in addition to those who will be appointed by the Vaad. The information is required this weekend in order that it can be sent to Montreal.

There will also be room for individuals who would like to attend the conference but who may not be actively involved in organizational life at the present time. Hy Hochberg will be pleased to provide any information desired.

## One United Community - One United Campaign

### AN OPEN LETTER BY THE GENERAL CHAIRMAN OF THE UNITED JEWISH APPEAL

Dear Friends:

This is the Bar Mitzvah year of the United Jewish Appeal in Ottawa. Our offspring has done well. We have nurtured it, supported it and watched it grow. It has become the instrument through which we discharge our collective obligations as a community.

Our U.J.A. has helped to save and rebuild shattered lives. It has fed tens of thousands on their way to a haven in Israel. It has made Ottawa a better place in which to live and raise our children.

Our U.J.A. has done all these things and more. Each spring, the call has gone out. And each spring, the response has been swift and usually generous. To a greater or lesser degree, we have shared our blessings. God has been good to us and we have tried to be our brothers' keepers.

But the U.J.A. has also had its problems. There is only so much money in the pot and the sad truth is that there has never been quite enough to go around. 1964 is a case in point. Pledges exceeded \$360,000., but actual requirements were at least \$40,000. more.

Faced with this dilemma, the Allocations Committee had little choice in the matter. Israel's requests were reduced — the Talmud Torah's allocation was cut — the J.D.C., the Centre, the Vaad and the Camp all had to get along with less. The result: our beneficiaries are in debt and there is only one source of relief.

All kinds of suggestions have been made. Some people advocate splitting the campaign into separate local and overseas appeals. Others say we are sending too much overseas and not keeping enough at home. Another group takes exactly the opposite position. And finally, there are those who say you must cut your cloth to fit your suit.

Every local agency is going through a period of belt-tightening right now. If any frills existed, they have long since been eliminated. It is easy to cut, but at what price? How much can you lop off a Talmud Torah budget without impairing standards and services? Can you turn a deaf ear to the urgent cables and letters which keep pouring in from Jerusalem? How long can you go on incurring deficits without a day of reckoning?

These are the compelling questions which face us on the eve of the 1965 United Jewish Appeal. We need \$395,000. this year for current operations. If we reach that figure, we can hold the line. But if we do not, we are in trouble. The alternative is either to go back to the days of multiple campaigns or cut back on services. Neither approach makes much sense in these days of expanding economies and improved standards of living.

The only problem we have is money. We are not being asked to shoulder a gun or stand guard on a border settlement. Thank God, we live in a free country where life is good and opportunities are everywhere. There is little we cannot do so long as unity and purpose are our goals.

Willing hands are ready to do the work. Our job is to help provide the tools. The members of my Executive Committee join me in expressing the hope that 1965 will be a banner year for the United Jewish Appeal because you and hundreds like you felt strongly enough to give a little more to preserve our Jewish way of life.

Sincerely yours,

ARNOLD LITHWICK.

Passover, the festival commemorating Israel's deliverance from the yoke of Egyptian bondage 3,500 years ago will be ushered in on Friday evening, April 16, and will be observed for a period of eight days until sundown, Saturday, April 24.

Passover has become a symbol of humanity's first festival of freedom. To our people, however, it is more than a lesson. Rich in symbolism, it provides a unique method of identification with the faith and eternity of the Jewish people. It is the holiday that gives stress to our role as guardians of our young for they have a special part in its celebration. It is the holiday that attempts, in a most picturesque way, to convey to its celebrants the joy, beauty and feeling of our heritage of which it is part.

  - B'dikat Chametz — (Search for Chametz) — Thursday evening, April 16.

## Pledge Redemption Committee Keeps U.J.A. Accounts Current

David Zelikovitz, chairman of the United Zionist Council of Ottawa, who was given many years of devoted service to campaigning for Israel, has taken on a new role as chairman of the United Jewish Appeal Pledge Redemption Committee.

Mr. Zelikovitz and his brother Nathan have worked as a team for years and the unique contribution they have made to Zionist effort in this community is worthy of the highest commendation. They do the job others are reluctant to tackle and they do it conscientiously and successfully.

The Pledge Redemption Committee was set up by the Vaad Ha'Ir to maintain year-round collection machinery for the United Jewish Appeal. Most U.J.A. donors are very conscientious about responding to statements by mail. But a few need the personal reminders which can only come from a continuing concern on the part of a permanent lay committee.

The committee has already held two meetings and early returns indicate that good results have been obtained from the phone calls and personal visits which committee members have made.

In addition to David and Nathan Zelikovitz, those who are taking a leading part in the collection program are Jules Loeb, Mervin Mirsky, Hy Bessin, Alex Betcherman, Morris Zagerman, Arnold Lithwick, Harry Weidman, Irving Weiner, Jacob Bookman, Joe Zelikovitz, Herbert Zagerman, Max Zelikovitz, Max Kizell, Bert Krugel, Harry Goldstein, Jack Levin, Maurice Waxman and Lawrence Kapeller. M. Sidney Green is staff coordinator.

### Passover Mazoth

Make sure that the mazoth you purchase for Passover bear the inscription "Kosher L'Pesach — Kosher for Passover Use". Mazoth sold for year-round use bear the inscription "Not for Passover Use."

### Passover Hospitality

In keeping with the spirit of the Passover season, a number of people in the community have offered the hospitality of their homes to out-of-town university students, civil servants and others who will not be able to spend Pesach with their own families because of distance or other factors.

Anyone in this position who would like to spend the first and second nights of Passover with a Jewish family is asked to call Arnold Grant at the Centre, 232-7306. Arrangements can also be made for the full week of Passover if desired.

If you know of someone who is a bit shy about coming forward, Mr. Grant will be pleased to extend the invitation.

### CATERED FOODS

The Ottawa Vaad Hakashruth wishes to emphasize that there are no caterers in Ottawa who are authorized to produce Kosher L'Pesach food items under its supervision.

During the course of the rest of the year, only food prepared and served at the Jewish Community Centre or in any of the Synagogues bears such endorsement.

### Products for Passover

Passover items bearing this endorsement label of the Vaad Ha'Ir — Vaad Harabonim of Montreal are recommended by the Ottawa Vaad Hakashruth for Pesach use.

(Light blue and white)

Consumers will find that there are a great variety of Kosher for Passover items produced under the above supervision. This includes cheese, cream, pickles, relishes, delicatessen products, candy, tea, coffee, sugar, soft drinks, cakes, pastries, etc.

A public tribute on the 22nd Anniversary of the Warsaw Ghetto Uprising will be held Thursday, April 29 at 8:30 p.m., at the Jewish Community Centre under the joint auspices of the Ottawa Vaad Ha'R and the Labour Zionist Council.

Word has just been received that the guest speaker will be David Lewis, Q.C., of Toronto, former member of parliament for York South and vice-president of the New Democratic Party of Canada. Mr. Lewis is an outstanding speaker who is much in demand at gatherings throughout the country.

Others who will be participating are Matityahu Dagan, Counsellor of the Embassy of Israel, Rabbi Simon L. Eckstein, Rabbi J. Benjamin Friedberg and Rabbi Abraham Rubin.

The students of the Hillel Academy and Hebrew School and the teen-age clubs of the community will also take part.

By now it has become a tradition for Jewish communities all over the world to observe the Anniversary of the Warsaw Ghetto Uprising of 1943, not only as a tribute to the countless Jewish martyrs and heroes of the Nazi era but also as a symbol of resistance to oppression and condemnation of the heinous atrocities of the Nazis, which resulted in the ruthless annihilation of six million Jews.

This year's observance assumes added significance in view of the emergence of neo-Nazi manifestations and the spread of hate propaganda.

Organizations are urged not to arrange any other function on that day and make every effort that their entire membership attends this manifestation of solidarity of Jews in Ottawa with the Jewish martyrs.

## 8th Annual Art Show April 7, 8

Under the distinguished patronage of Their Excellencies the Governor-General and Madame George Vanier, the Ottawa Section of the National Council of Jewish Women of Canada will hold its 8th annual exhibition and sale of paintings and sculpture by leading and promising Canadian artists from coast to coast.

Since its inception eight years ago, this exhibition has come to be regarded as a major cultural event in the City of Ottawa. It is hoped that, by affording artists an additional opportunity to exhibit their works and the public a chance to view them, it may contribute a stimulus to the further development of Canadian art.

Davidson Duntton, president and vice-chancellor of Carleton University and chairman of the Royal Commission on Bilingualism and Biculturalism will officially open the Exhibition on Wednesday, April 7, at 8:30 p.m., at the Assembly Hall, Lansdowne Park.

Due to space limitations, opening night will be by invitation. Guests

will be invited to view the works from 7:30 p.m. and to ballot for more than 160 works of art, all fixed in price by the artists and ranging from \$35. to \$200. Ballots will be drawn for each, and the works will be sold to those bidders whose names are drawn first. On Thursday, April 8, the general public will be invited to view the exhibition from 10 a.m. until 9 p.m. and the paintings and sculptures may then be purchased by direct sale.

The arrangements for this year's exhibition have been undertaken by a committee of twenty-one women headed by Mrs. Jack Sobcov. Ralph Allen has donated the door prize and the masters of ceremony will be Dr. Emmett O'Grady and Campbell McDonald.

The honorary advisers are: Dr. Charles Comfort, Dr. A. Y. Jackson, Henri Masson, Carl Schaefer, and Jacques de Tonnacour. The judges, Dr. Charles Comfort and Carl Weisberger will award prizes totalling \$450. for the three best paintings.

## O.R.T. Conducts Active Program

Mrs. Henry Kingstone of Toronto has been elected president of Women's Canadian O.R.T., replacing Mrs. Archie B. Bennett who served for six years. Ottawa members on the National Executive are Mrs. Myer Dunsiger, Mrs. Isaac Levine and Mrs. Albert Rivers. Mrs. Kingstone recently spent several days here meeting with the Ottawa groups and Executive.

March 24 was observed as O.R.T. Day in Canada. It served to draw attention to the fact that there are 625 training schools in 81 cities in 19 countries and four continents, under O.R.T. sponsorship to-day. During 1964, over 42,000 individuals were engaged in training programs under O.R.T. auspices.

On March 21, a Tribute Tea was held at the home of Mrs. Greta Cohen in honour of Mrs. A. B. Bennett. A special contribution is being made to the O.R.T. Jerusalem Centre in her name for outstanding service to the organization. Mrs. Anne Teller was in charge of arrangements.

## Observe Israel's 17th Anniversary May 5th

The Jewish Community of Ottawa will observe the 17th Anniversary of Israel's Independence on Wednesday evening, May 5, according to a joint announcement by Mervin Mirsky, president of the Ottawa Vaad Ha'ir and David Zelikovitz, chairman of the United Zionist Council.

The evening will begin with a brief Service of Commemoration at Congregation Beth Shalom at 8:15 p.m. which will be addressed by His Excellency Gershon Avner, Ambassador of Israel to Canada. It will be followed by an anniversary celebration including singing, dancing and a social hour in the Main Auditorium of the Jewish Community Centre.

The evening will also feature an Israel Trade Fair and Fashion Show which will be set up in a series of booths in the auditorium. Plans now being worked out with the co-operation of Meir Livnat, Consul and Trade Commissioner of Israel in Montreal will bring to Ottawa a larger and more elaborate

display than last year of the high quality goods, products and artifacts which are being made in Israel today.

Among the many items which will be featured are wines, jewelry, candy, chocolates, oranges, soaps, canned good, linens, woolens, ceramics, copper and patina wear. The Fashion Show and Boutique Shop will be particularly eye-catching.

Zim Lines, El Al and the Israel Tourist Office will send representatives to man their booths. An unusual exhibit of ceremonial objects, medals, coins and stamps has also been assembled for showing.

The committee in charge is enthusiastic about the project and anticipates that this year's observance will attract one of the largest crowds ever for an Israel anniversary. Organizations in particular are requested to refrain from scheduling any conflicting event on May 5.

## THE FACTS ABOUT KOSHER CATERING

The Ottawa Vaad Hakashruth wishes to clarify a misconception which appears to exist about "Kosher Catering" in Ottawa. These are the facts:

1. There are no caterers in Ottawa under the supervision of the Vaad Hakashruth.
2. Kosher catering requires the employment of a permanent mashgiach who follows the preparation process from inception to completion whenever and wherever food is served. No arrangement of this kind exists outside the Jewish Community Centre and the Synagogue.
3. The Jewish Community Centre and the Synagogues are the only institutions or establishments where full-time supervision is available. Food prepared and served by caterers in these locations therefore meets kashruth specifications.
4. The Vaad Hakashruth and the Rabbis of Ottawa cannot accept the kashruth reliability of catered foods prepared or served in any other location.
5. Consumers are asked to guide themselves accordingly. Further enquiries should be directed to your Rabbi or the Vaad Hakashruth at 232-7306.

## GRAND PIANO PARTICULARLY WELCOME GIFT

The presentation of a grand piano to the Jewish Community Centre by the Ottawa Section, National Council of Jewish Women has been warmly received by the Board of Directors and the community at large. An instrument of this calibre has been sadly lacking for many years. Council's generosity will enable the Centre to expand and improve the quality and content of its cultural arts activities. Shown grouped around the piano on the stage of the Main Auditorium are Mrs. Joel Barrett, immediate past president of Council; Hyman Solowey, Q.C., president of the Jewish Community Centre who accepted on behalf of the Board; Mrs. Mendel Shore, president of Jarvis Freedom constituted the selection and purchasing committee. Seated at the piano is Mrs. Irving Greenberg who with Mrs. Council has presented to the Centre, the first being the Music Room several years ago.

## Open Registration For 15th Day Camp Season

Dr. M. Ralph Berke, chairman of the Youth and Day Camp Committees of the Jewish Community Centre has announced that registration has begun for the 15th Day Camp season to be held from July 5 to August 13, 1965.

Brochures and registration forms were mailed to all homes in the community recently. A heavy enrolment is anticipated and parents would be wise to forward their applications early since accommodation is limited.

The camp caters to children between the ages of 4 and 11. They are divided into three basic groups: Camp Dreidel - 4 and 5; Camp Shalom - 5½ to 8 and Camp Adventure - 8½ to 11. Dreidel children come at 9:30 and leave at 2:00. The older children's program starts at 9:30 and continues through 4:00 o'clock. Campers bring their lunches and are provided with milk or juice as well as morning or afternoon snacks.

Arnold Grant, Program Director of the Centre will direct the camp. He will be assisted by Mrs. Ben Harris who did such an able job last summer. The staff includes unit heads, counselors, instructors and specialists who have had previous camping experience and who enjoy working with children.

The program is geared to providing a happy, learning experience for youngsters who are either too young to attend a country camp or whose parents prefer them to remain in the city during the summer months. There is plenty of opportunity for self-expression through a varied program of swimming, crafts, dramatics, athletic, cultural and group activities.

The complete facilities of the Jewish Community Centre are at the disposal of the campers and full use is made of the outdoor swimming pool, gymnasium, neighbouring playgrounds and parks.

Dr. M. Ralph Berke

Fees are: Camp Dreidel - Members \$55.00, Non-Members \$70.00; Camps Shalom and Adventure - Members \$75.00, Non-Members \$95.00. A 10% reduction is given for a second child. Scholarship allowances are available so that no one need be denied this service.

Serving with Dr. Berke on the Day Camp Committee this year are Mrs. Horace Cohen, M. Sidney Green, Hy Hochberg, Mrs. I. Louis Strolovich, Mrs. Morton Taler, Dr. Lyon Pearlman, Dr. Morris Resnick, Mrs. Sol Sherman, Irving Rivers, Mrs. Herbert Zagerman and Sam Zaret.

In 1964, the Day Camp enjoyed one of the most successful seasons in its history. Aided by good weather and a top waterfront staff, the number of children who learned to swim surpassed all previous highs. The children spent an ideal summer which has every likelihood of being repeated this year.

For additional applications and further information, call Mr. Grant at the Jewish Community Centre, 232-7306.

## Camp B'nai B'rith Sports New Look for 1965 Summer Season

Ottawa's own co-educational community camp for 8 to 14 year old boys and girls will feature some new and exciting innovations this summer according to Stanley L. Glube, chairman of the B'nai B'rith Camp Committee.

Work already in progress or about to be started includes new docks at the waterfront, separate boating and swimming areas and the first phase of an extensive landscaping and tree-planting program which will add a great deal to the natural beauty of the 100-acre site situated less than thirty miles from the city on the picturesque Ottawa River.

Mervin Butovsky, assistant professor of English literature at Sir George Williams University in Montreal will direct the camp for the third successive season. Mr. Butovsky has had extensive camp experience in this country and in Israel. He has done an outstanding job as director and his return will be welcomed by campers and staff alike.

Stephen Victor, a second year University of Ottawa Law School student will be assistant director. This is his second year in that position and his seventh as a staff member of B'nai B'rith. The waterfront will be handled by Sheldon Taylor, a well-qualified swim specialist who attends Carleton University. Older unit heads, a crafts instructor and interested counselors will round out the program staff.

In the area of health and safety, the camp employs a full-time resident doctor and a full-time resident nurse. The infirmary is well-equipped and heated on cool nights.

Tasteful kosher meals are prepared by a head chef, pastry chef and kitchen assistants. All-night rounds are made by a security officer employed for that purpose.

In addition to an extensive waterfront, tripping, crafts, ceramics and athletic program, the staff this year will be moving into higher quality dramatic, musical, cultural arts and riding activities. The 15 year-old Pathfinder Group will enjoy an enriched program including a visit to the Stratford Shakespearean Festival, Upper Canada Village and other places of historic interest.

Camp B'nai B'rith enters its 20th consecutive season of service to the Jewish community with a reputation as one of the best camps in this part of the country. It is a fully-accredited member of both the Ontario and Quebec Camping Associations, meeting standards of staff, facilities and program equal to or better than many commercially-operated camps, whose fees must of necessity be higher because of the profit factor.

Camp B'nai B'rith's fee is based on non-profit operations. The fee is \$400 for the full seven-week

Stanley L. Glube

season and \$200 for each three and a half week period. It is an all-inclusive package covering resident care, horseback riding, laundry, canteen, gratuities and transportation. Its accessibility to the city is also a plus factor for visiting or in the event of emergency.

There are still a few vacancies open in the various age groups but these are filling up fast. Parents planning to send their children are urged to contact Sidney Shapiro, 688 Fraser Ave., 728-7164 as quickly as possible to avoid disappointment.

## Canada-Israel Health Survey

The Harvard School of Public Health is currently investigating the feasibility of conducting an epidemiologic health survey of Americans who have migrated to Israel and their brothers and sisters in the U.S.A. and Canada.

The purpose of the study is to determine whether differences in mode of life, nutrition and occupation between siblings are associated with differences in the risk of developing heart disease.

If any members of the community have relatives who have emigrated from Canada to Israel they are invited to co-operate in the study by completing a questionnaire which may be obtained by writing to: Canada-Israel Health Survey, Harvard School of Public Health, 1 Shattuck Street, Boston, Massachusetts, 02115.

MASTER PLAN**  
D. W. GRAHAM AND ASSOCIATES  
LANDSCAPE ARCHITECTS - OTTAWA

### THE MASTER PLAN FOR CAMP B'NAI B'RITH — A CAMP FOR OUR OWN CHILDREN IN WHICH WE CAN REALLY TAKE PRIDE

This is a long-range master plan for our Camp B'nai B'rith developed by Donald Graham & Associates, landscape architects of Ottawa. It shows present buildings, proposed changes and improvements earmarked for future development. When the first busload of campers arrives this summer, they will be able to see a new entrance, many new trees planted, freshly-painted cabins, a new front entrance

on the dining hall, a new landscaped area for assemblies, new docks at the waterfront and separate boating and swimming areas. These improvements are the net result of months of planning and preparation by a dedicated Camp Committee who merit your interest, encouragement and support.
